Dear friends of Grameen Australia,

We are appealing to our friends and donors for urgent support.

We only have 5 days left to raise \$45,000 to hit our target of \$102,000 to buy the critical plot of land. We have raised a whopping \$57,443 from incredible people like you in only 14 short days, so we know we can raise the rest too.

DONATE AT: www.startsomegood.com/socialbusiness

We are working hard to secure cash to buy the land - and we are appealing to you one final time.

Having never done a campaign like this before, we are pulling out all stops to make sure we hit our target.

This means your donation is absolutely critical now more than ever - it will BE the difference between us hitting the target and buying the land, or failing.

If you haven't donated yet - we urge you to do so.

If you have - please share with your networks. A few hundred dollars could be the difference between success and failure.

There are EXCEPTIONAL REWARDS on offer for donors - and remember all donations over \$2 are tax deductible in Australia.

- o) At \$500, you can get access to an in-person Social Business Masterclass run by The Entourage and Grameen Australia.
- o) At \$750, you will be named as a sponsor of a small shed on the farm.
- o) At \$1000, you will be named as a sponsor of a large shed on the farm.

What will your donation support? You will help transform the destiny of over 2,000 people by 2020 and fight poverty, overcome malnutrition and build food security in Cambodia, thanks to us scaling a social business that will be an example to the world.

Please donate at www.startsomegood.com/socialbusiness today and share with your friends!

We can't thank you enough for your support.

Yours sincerely,
